The Disciples Don't Get the Point

The disciples were confused about what Jesus meant because their _____ orientation was a great barrier to _____ vision.

Despite Jesus' divine teaching, His perfect _____, and His great miracles, the disciples still thought and functioned primarily on the _____ level.

Little faith =

Understand =

Mark 8:17 adds that Jesus also asked, "Do you have a hardened heart?"

Hardened =

Remember =

The Disciples Finally Get It

When they finally understood, it was by the Lord's _____ and _____ illumination alone.

D. A. Carson: The specific nature of the Pharisees' and Sadducees' false teaching was "an attitude of unbelief toward divine revelation that could not perceive Jesus to be the Messiah but that tried to control and tame the Messiah they claimed to await."

The error of the Pharisees is the error of people who take their relationship with God _____ but do not understand the depths of their own _____.

The error of the Sadducees is that of people who drink in a modern approach to everything and live as if this _____ and what it has to offer are all that really _____.

Christian _____ involves placing the right value on what is truly important while spending less and less time and energy on what is of no _____ consequence.
