

The Lord's Compassion for the Needy

Healed =

Jesus was unlike any other \_\_\_\_\_ they had experienced.

Jesus always made time for those who were \_\_\_\_\_ and in \_\_\_\_\_. In contrast to the religious leaders, Jesus \_\_\_\_\_ the people.

The Purpose of the Healings

Jesus' healing miracles served as messianic \_\_\_\_\_.

***Jesus' miracles accomplished four means of showing man that He is our Messiah who saves us from sin:***

1. The miracles proved that Jesus was \_\_\_\_\_.
2. The healings showed that God is \_\_\_\_\_ toward those who suffer.
3. The miracles proved that the coming kingdom is a \_\_\_\_\_, the wonders and signs being a \_\_\_\_\_ of the marvelous eternity God has in store for those who are His.
4. The miracles showed that Jesus was the prophesied \_\_\_\_\_, because the Old Testament predicted that the Messiah would perform \_\_\_\_\_.

God chose to give signs to Israel so they would \_\_\_\_\_ the Messiah.

The Rejection of the Healing Messiah

Wonderful things =

Shouting =

Hosanna =

Became indignant =

When we're indignant/angry/\_\_\_\_\_ over something that gets in the way of an \_\_\_\_\_ in our heart, it is a \_\_\_\_\_ response.

Sinful anger toward other people is a form of \_\_\_\_\_, which Jesus further defined as a form of \_\_\_\_\_.

Notes on Jesus' response:

Notes on [Psalm 8:2](#):

You have prepared =

Jesus will not \_\_\_\_\_ where He is not \_\_\_\_\_.

Most people want a Jesus who will change their \_\_\_\_\_, but they don't want a Jesus who will change \_\_\_\_\_.
