2/23/2020

### Introduction

Notes regarding the context of Judas' death:

### Worldly Realization of Sin (vv. 3-4)

**Betrayed** =

The word \_\_\_\_\_ tells us that Judas most likely had followed and \_\_\_\_\_ the proceedings.

Judas realized the horrible \_\_\_\_\_ of the situation and the gravity of his \_\_\_\_\_ role in condemning the sinless Son of God.

**Felt remorse** =

Simple \_\_\_\_\_ of your sin and guilt does not produce true repentance.

He gave the money back to the priests hoping this would soothe his \_\_\_\_\_.

Notes about Judas' confession:

Despite his confession, Judas had not changed his \_\_\_\_\_ about who Jesus was or about his own need for \_\_\_\_\_.

Notes on the priests' response, "[What is that to us? See to that yourself.](#)":

### Worldly Reaction to Guilt (v. 5)

Judas responds in anger and \_\_\_\_\_.

**Threw** =

He intentionally threw the money into a place where only the \_\_\_\_\_ could retrieve it.

**Departed** =

Being without \_\_\_\_\_ and unwilling to turn to God, he determined what he would do to get out from under the \_\_\_\_\_ and feelings of remorse.

### Blood Money (vv. 6-10)

Notes on [blood money](#):

What we learn from [Acts 1:15-19](#):

Judas' remorse over his deed was not the same as \_\_\_\_\_.

He was \_\_\_\_\_, not because he had sinned against Christ, but because his sin did not \_\_\_\_\_ him the way he had hoped.

His downfall came because he loved \_\_\_\_\_ too much, he rejected \_\_\_\_\_ too easily, he resented \_\_\_\_\_ too strongly.

Until sin is \_\_\_\_\_ to Christ for forgiveness and cleansing, the mere acknowledgement of it will only \_\_\_\_\_ a person deeper into \_\_\_\_\_ and hopelessness.
